

2019 BALLOT

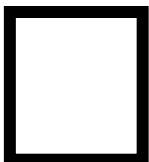

IOWA ASSOCIATION OF COUNTY CONSERVATION BOARD EMPLOYEES

For the position of Vice President -

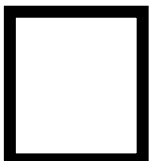

(Successful candidate will automatically succeed to the position of IACCBE President in 2020)

My name is Logan Roberts and I'm a Naturalist/Park Ranger at Tama County Conservation. I love the variety of my job duties and educating the public about conservation. In my free time I enjoy camping, hiking, hunting and hanging out with my German Shorthair Pointer. I have been fortunate enough to work in Iowa's wonderful county conservation system since 2011 and would love to additionally serve as VP of IACCBE. I am organized, passionate, and dedicated to all I do and would carry this into the committee's important work of providing professional development and networking for our association.

My name is Travis Scott, I grew up in Livermore, Iowa where I spent every spare minute hunting and fishing on the Des Moines river. I started the journey towards my career in 2003 at Iowa Lakes Community college while working as a seasonal at Palo Alto County Conservation Board. I was hired as a full time Park Ranger in Decatur County after completing college at Northwest Missouri State University. I am currently a Park Ranger with Black Hawk County Conservation board. In my free time I enjoy spending time with my 2 weimaraners, running, hunting and fishing.

Write-in Candidate
