VOLUME XXXIII

WINTER 2018

ISSUE I

Spring Training Time!

CCPOA of Iowa, Inc. would like to announce that your fellow association members have scheduled the 2018 editions of the **Regional Spring Training Workshops** around the state for your benefit. Thanks to **Harrison, Wright** and **Muscatine** counties for hosting these great training opportunities.

Since these counties have put forth the effort to provide you with these additional in-service training credits, your show of support would be greatly appreciated by attending one of these sessions. Check the **AGENDAS** in this newsletter for registration information, deadlines and fees – usually payable at the door. We look forward to seeing you at one of these gatherings.

Once again, due to some logistical issues at Camp Dodge, the Executive Committee has been forced to move the dates for the **33rd Annual Fall Training Workshop** to **October 8, 9 and 10, 2018**. These dates are a **Monday, Tuesday and Wednesday**. The Ramada has adjusted with us and once again will provide a block of rooms for CCPOA.

WINTERFEST – The CCPOA Executive

Committee held their regular winter meeting on January 24th in Waterloo during the IACCB Annual Winter Conference. President Nick Beeck (Plymouth) presided over the meeting. Discussion centered on regional spring training workshops, our 33rd Annual Fall Workshop and taking action to align with IACCB for administrative technical support. The benefits of this action will provide better: financial continuity, communications, logistics for officer transitions and access to online workshop registrations.
