TO GET A CABIN INTO THE SITEWIDE "SORT" FOR CABINS:

Go to the **PARK** where you have created the cabin **FACILITY**. Select **ACTIVITIES** from the green task bar, and then select **CABINS** from the drop-down menu. You will need to write a brief paragraph about this cabin "activity", and we also encourage you to upload at least one photo of a cabin for this activity. Feel free to structure this page to be similar to other such pages on the website (sample from Linn Co. below). Follow this procedure to add other **ACTIVITIES** to any of your **PARKS** to get them into the site-wide search feature. Once created, these **ACTIVITIES** can then be added to any other **FACILITY** in that particular **PARK**.

Pinicon Ridge Park

Home Facilities **Activities** Events FAQ

Cabins at Pinicon Ridge Park

Pinicon Ridge boasts FOUR modern cabins with many fine amenities: microwave, cooktops, air conditioning, heat, private showers (in three of the cabins), large covered decks, etc. Cabins are reservable up to TWO years in advance, and it is quite common for families to book multiple (or all four) cabins for a fun reunion setting, and snap up on of the park's lodges to serve as the larger family reunion central location. These cabins are located adjacent to the Plains & Flying Squirrel campground complex - providing additional opportunities for large group outings!

DIRECT LINKS TO SPECIFIC CABIN INFORMATION & RESERVATIONS:

- [Pintail Cabin](#) - 8 person capacity, \$84/day
- [Bob White Cabin](#) - 6 person capacity, \$63/day
